To whom it may concern,

What a great job by Rob Vaughn and the Christian Wrestling Federation. Our middle and high school students, over 600, thoroughly enjoyed the show. From the very beginning to the very end, Rob had their attention. I consider our students to be generally an exciting group, but the CWF took them to a whole new level.

Rob has a good understanding of youth culture and his demeanor and comments on stage showed his knowledge and compassion for this generation. Our students were glued to the ring during his testimony and many responded to make decisions for Christ.

I would recommend that your ministry or organization contact Rob Vaughn. Rob was very easy to work with and he and his entire team exhibited a humble and servant attitude. It is refreshing to work with a team that encourages excellence.

Sincerely,

Curtis Seaburg
